

GSA National Capital Region

January 30, 2015

Mr. Marcel Acosta
Executive Director
National Capital Planning Commission
401 9th Street, NW, Suite 500
Washington, DC 20576

RE: Request for Preliminary and Final Review of two interim cell phone antennas to support the DHS Headquarters Consolidation at St. Elizabeths.

Dear Mr. Acosta:

The U.S. General Services Administration (GSA) is submitting the final site plans for two interim cell phone antennas within the St. Elizabeths West Campus. We request review of preliminary and final review by the Commission at its March 5, 2014 meeting.

The project consists of the design and location of two interim cell phone antennas.

In accordance with the National Environmental Policy Act (NEPA), an Environmental Impact Statement for the Master Plan Amendment was completed on April 2, 2012 and the Record of Decision was signed May 17, 2012. This project is consistent with the Master Plan for the DHS Headquarters Consolidation at St. Elizabeths approved by Commission in January of 2009 and the Master Plan Amendment approved by the Commission in June 2012. GSA has determined, and the DCSHPO has concurred, that the Antenna installation will have no adverse effect on the St. Elizabeths West Campus.

In accordance with your submission requirements, we are enclosing one copy and one CD of the submission documents. If you have any questions, please contact Danielle Breaux at 202-288-1298.

Sincerely,

A handwritten signature in blue ink, appearing to read "Miina Wright", is written over a circular blue stamp.

Miina Wright
